A horizontal row containing six groups of three vertical bars. Each group is separated by a small gap. The first five groups have four bars in them, while the last group has only three. This visual representation corresponds to the multiplication problem 5 times 4 plus 1 times 3.

A horizontal sequence of nine empty rectangular boxes. The first seven boxes are grouped together by a thin vertical line on their left side. To the right of this group is a small gap, followed by two more empty boxes. A large black question mark is positioned to the right of the second empty box in the sequence.

????????? ?????? ?????? ??? ?????? ?????????? ?????????? ??? ??? ????

A horizontal row of ten empty square boxes, intended for children to write their names in.
